

We All
Know

There is a popular belief that eyes cannot be properly fitted outside of an oculist's office, but we are constantly proving the incorrectness of that belief. If you have a dull pain about the eyeball, or if, when reading, the letters seem to run together, call and be relieved. We charge nothing for examination, and guarantee satisfaction in every case.

Purely Business!

The columns of a newspaper represent a cash value. No publisher can afford to give away "notices" free any more than a merchant can toss over his counter free gifts of dry goods or shoes. A newspaper is a legitimate business concern. Its columns are its stock in trade, and advertisements should be paid for, no matter in what part of the paper they appear.

1-3
OFF!

This means that we will sell, beginning today until the 15th of February, every Suit, every pair of Pants, every Overcoat (not a garment is reserved) in our house one-third less than the regular legitimate price. It is needless to tell you of the merits of our merchandise. No house in the state competes with us in style and qualities.

We Handle Only
the
Highest Grades
of
Clothing.

Moreover, we never indulge in fake advertisements. You ask why this tremendous reduction in our prices. We answer, do you know that up to date we have not had a week's cold weather all this winter? We are stuck on Heavy Suits and Overcoats and for two reasons must unload. The most important is we need the money for thirty odd thousand dollars worth of clothing on hand. The other reason is our spring purchases are beginning to come in. It will take lots of room for them. Look in our windows and you will see what one third off means.

THE SHERWOOD CONCERT.

Thanks Due the Matinee Musicals For
Bringing These Artists Here.

When the contract was offered the
Musical Club to bring to our town the
four artists who were applauded Monday
night, it was too rare a chance to be
refused. So in the face of many obstacles
they set to work to give Maysvillians the
opportunity of hearing America's greatest
pianist, a pianist of whom every
American should be proud, for his
genius has been recognized in the musical
centers of Europe.

It seems a little difficult to applaud Mr.
Sherwood for any one characteristic in
playing. His playing seems to be as
natural and spontaneous as the growing
of a flower. His Chopin Berceuse was
delicate and fine, but his touch grows
majestic, brilliant and full of fire in
Gottschalk's Tremolo, Liszt's La Campanella,
etc.

In "Salve de Mora" Mr. Ormsby had a
happy selection in which to show the
pure, clear tones of his voice. His
other numbers were well chosen to give
expression to a tenor of wide range and
volume.

Mrs. Merrill, the accompanist, supported
him ably as she did Miss Davis,
whose violin playing was that of an
artist. Her bowing was splendid, her
interpretation excellent, and her tone
perfect. It was in "Russian Airs" that
she produced a tone rich and cello like
and again there came a tone that whistled
fine and clear. The "Kreutzer
Sonata" was superb. The evening
throughout was one to delight the lovers
of music, and as number followed number
the enthusiasm of the audience was
unbounded.

Mr. William H. Sherwood, assisted by
Mr. Ormsby, Miss Davis and Mrs. Merrill,
gave a recital Monday afternoon at
the home of Mr. Thomas A. Keith, to the
Matinee Musicals. The recital was a
complimentary one, given as a mark of
appreciation of the efforts made by them
to bring to Maysville this company of
artists.

Thieves entered the residence of Mrs.
Alice O'Meara of Covington and carried
away a gold necklace with locket set
with diamonds, a red morocco cigar case
and some small change.

J. F. Pogue of the H. E. Pogue Distillery
Company of this city was on 'Change
at Cincinnati Monday after a week spent
on the road in the interest of the Maysville
business. He expressed the opinion
that times are decidedly better and that
business is improving. He was much
encouraged with the reception accorded him
by the trade generally.

Towels and Toweling!

Make us really "Hinen proud," for if we've learned to judge your
taste correctly we've towel comfort for you—by the dozen. There
are hucks and damasks, hemstitched with rows of pretty open
work; crepe and huck, hemmed, fringed or hemstitched and bird's-
eye hemmed or hemstitched, besides a complete showing of the
famous Web Weaving. A stock large enough and prices low
enough to insure a dry season and a clean one. At 5c. Bird's-
eye, all white, fringed towels. At 10c. Honeycomb bath towels.
Grandma's kind. At 12c. Bleached Irish huck towels, hemmed.
At 15c. Red bordered, fringed damask towels. These would be
cheap, very cheap, at 20c. So prices climb up to satin-finished
towel perfection at 50c.

TOWELINGS! Bleached, unbleached, linen, cot-
ton, plaid and plain. Service-
able crashes that give double-time wear. Have you tried the heavy
gray all-linen crash at 5c.? There's a cotton imitation that looks
its twin, but use will repudiate all relationship. Our toweling is
a weave of purest flax, an exceptionally heavy quality at an un-
usually light price. 5c. the yard instead of 7c.

**LETTER FROM A
WARMER CLIMATE.**

Mr. William Davis:
Your Semi-Cannel Coal is o. k. It ignites
quickly, gives a strong, steady heat and keeps
fire splendidly. Then it is the only Coal that
will effect that mark down here who used
Pomeroy when he could get Kanawha at the
same price. No more Pomeroy in mine. Ex-
cuse Uncle Kinyan from Pomeroy. It don't
make enough heat for me. They may fool me
on a few things, but I can give 'em cards and
spades when it comes to Coal. That's my long
suit. Look out for my next letter. Will give
you a pointer on that a right and narrow
way and tell how much cheaper Semi-Cannel
is than any other Coal. There'll be a hot time
down here from now on. Goodbye.
